The Rockefeller University
1230 York Avenue
New York, New York 10021

Dear Dr. Lederberg:

Enclosed is the Schedule and Potential Attendees for the
IBEC Tour day Friday, July 24.

The program filled out nicely without having to raid some of
the other Departments about the place. More people stayed around
to enjoy the hot summer than I expected.

I understand that you will not be going to Davis with us. If
your plans change, please feel free to join us of course.

I will be looking forward to seeing you in Sonoma on July 23.

Sincerely,

Fred T. Shultz
